Dear Bob,

AFCEA would be most honored if you would be the keynote speaker at their annual intelligence symposium sponsored this year by DIA. The theme will be a familiar one, "Intelligence Support for Low Intensity Conflict." The audience will include both senior government and industry officials involved in the intelligence arena with about 250 expected attendees. The classification will be at the SECRET level.

This year's symposium will be held on 7-8 October at the Naval Ordnance Center's facilities at White Oak, Maryland. They anticipate you speaking on Tuesday, 7 October from 0930-1015. Please let me know if that's not a good time for you, we have some flexibility and would be glad to accommodate your schedule.

I sincerely hope you can accept. As Chairman of AFCEA's Intelligence Committee, I will introduce the keynote speaker.

Very sincerely,

The Honorable Robert M. Gates
Deputy Director of Central Intelligence
Washington, D. C. 20505
